The **Red Hot Plancha** Dining Experience

sit : cook : eat [enjoy]

**Introducing the brand new alfresco dining experience  
The Red Hot Plancha, a fun, healthy, family friendly way  
of cooking and eating.**

The Red Hot Plancha allows you, your family and friends to cook your own food on the Plancha cooking surface, cook as little or as much as you like, well done, medium or rare it's all down to you!

All kinds of foods cook well on The Red Hot Plancha; fish, meat and vegetables. Food is cooked in its own juices so delivering great tasting food and healthy eating. You can even cook desserts on the Plancha!

Simple and quick to operate your Red Hot Plancha system can be ready for cooking just minutes after lighting. Using sturdy and durable Eucalyptus wood sourced from sustainable forests your Red Hot Plancha surround can be used as a normal piece of outdoor furniture when not being used for cooking. Powered by safe to operate gas the Plancha system will allow many hours of cooking per gas cylinder. On average a 5Kg gas cylinder will deliver over 30 hours of cooking time.

Plancha systems are available for purchase and short or long term rental periods. Brilliant for parties, weddings, corporate hospitality or just for that meal for two on your patio or balcony!
