

sit : cook : eat [enjoy]

A brand new alfresco dining concept.

The Red Hot Plancha allows you, your family and friends to cook your own food on the Plancha cooking surface, cook as little or much as you like, well done, medium or rare it's all down to you!

All kinds of foods cook well on The Red Hot Plancha; Fish, Meat and Vegetables. Food is cooked in its own juices so delivering great tasting food and healthy eating. You can even cook deserts on the Plancha!

Simple and quick to operate your Red Hot Plancha system can be ready for cooking just minutes after starting the burner assembly. Using sturdy and durable wood sourced from sustainable forests your Red Hot Plancha table can be used as a normal piece of outdoor furniture when not being used for cooking. Powered by safe to operate LPG the Plancha system will allow many hours of cooking per LPG cylinder.
